

XMT LIQUIDATIONS INC.

October 16, 2008

TO: Shareholders of 6356095 Canada Inc. (formerly Excapsa Software Inc.) (the "Company")

RE: Endorsement of the Ontario Superior Court of Justice (Commercial List) (the "Court") dated October 14, 2008 (the "Endorsement") in respect of the motion made by the Liquidator before the Court for the purposes of, among other things, approving a settlement with Blast Off Limited.

As outlined to you in our previous notice, XMT Liquidations Inc. in its capacity as liquidator of the Company (the "Liquidator") made a motion before the Court on October 14, 2008 for the purposes of, among other things, approving a settlement with Blast Off Limited ("Blast Off").

The specific details of the settlement, a copy of the Liquidator's First Report to the Court and certain supporting materials including the Amendment (as defined therein) are contained in the Liquidator's Motion Record in connection with this motion. A copy of this Motion Record can be found on the Liquidator's website at <http://www.wsbg.com/en/liquidation.html>

Upon hearing the motion and submissions from counsel to the Liquidator, the inspectors pursuant to the Company's liquidation, and Blast Off, the Court approved the Amendment subject to the Liquidator filing a further report to the Court to satisfy the Court that all conditions precedent to the closing of the transactions contemplated by the Amendment have been met. In this regard, the Court held that the Court should have evidence from the Liquidator that the conditions precedent have been met including the basis on which the Liquidator concludes that such conditions have been met.

The Court ordered that final approval may be sought from the Court on a subsequent 9:30 a.m. chambers appointment upon the Liquidator filing such further report at which time the Court would determine, upon review of such further report, whether or not the Court was satisfied that all conditions precedent had been met. The date of this subsequent 9:30 a.m. appointment together with such further report are to be posted on the Liquidator's website when known and available.

A copy of the actual Endorsement can also be found on the Liquidator's website.
